Please accept this  
Donation towards the  
picnic expenses. I  
am the daughter of  
Sophia Bergamo Nigro  
(1911-2004) who so loved  
"her" Dawson.

I'm pleased some  
of my children are attending  
the picnic as a way of  
cherishing her memory.  
We plan to attend again  
this year.

My Uncle's Bruno +  
Louie live in  
Camaron  
(Orlando)

Please know I  
appreciate your hard  
work in making this  
event happen.

Thank you

Gentlemen:

Thank you for the "Mine's  
Pick" with the info about  
the Dawson reunion in 2008.

How I wish I could attend.  
But, I cannot for several  
reasons.

I was born in the (over).

Township of Ponil, P.O. Box  
Dawson, N.M. on July 4, 1921.  
My dad had a lumber mill  
and cut ties for the  
railroad spur that was  
built to haul coal and my  
train.

My younger brother was  
born in the Dawson Hospital  
in 1923.

Again, thank you for  
thinking of me. Have a  
great picnic!

Have a great day!

Dear Ass'n members,  
I am respectfully requesting me to  
remove your association from ~~your~~ my  
membership and mailing list.

Altho' I am very proud to have  
been part of your school staff in the  
long-ago century and enjoyed with  
my husband for a memorable week -  
who in Dawson long ago, he is  
now gone and I am too old to  
travel comfortably. Memories are  
vivid and somewhat un-believable  
~~by~~ by my grandchildren but I still  
have some photos and a letter  
of a student to remind me of the  
event.

May you have many memorable  
events and friends of this  
un-usual location. May it always  
remain a unique spot in your  
heart for part of history of the  
Southwest.

Thank you for continuing my name  
in part of your past.

Sincerely  
Jean (Mortis) Quint.
